

(Individual letters will mailed out to students who have been selected)

Dear Emerald Eagle!

Congratulations! The University of North Texas (UNT) has selected you as an Emerald Eagle Scholar beginning Fall 2009. You should be proud of being chosen for this life-changing program.

The Emerald Eagle Scholars program offers incoming freshman the financial and academic support that is vital to a successful college career, and continues that support for up to 4 years. This program is a partnership between UNT and you.

Through this partnership, you will have the average cost of undergraduate tuition and fees for 15 semester credit hours paid by a combination of federal, state, and institutional funds for 8 consecutive long semesters.

The University of North Texas, the Emerald Eagle Scholars Program, and other departments on campus, will work closely with you to provide opportunities that will make your college experience an unforgettable chapter in your life. Congratulations again upon being selected for this honor and best wishes for the successful timely completion of your degree! Go Mean Green!

Sincerely,

Carolyn Cunningham, Director
UNT Student Financial Aid & Scholarships

Lilyan Prado, EESP Coordinator
UNT Student Financial Aid & Scholarships

P.S. Please be sure to return the enclosed commitment agreement, and all other necessary documents, to avoid the cancellation of your award.
