**Course Topic:** **ANTHRO. & SOCIAL MEDIA CULTURE**

Is our new virtual reality, where at the tips of our fingers news breaks alongside relationships, less a kind of freedom and perhaps more a prison where we obsess over how many “likes” our selfie gets, or whether or not to comment on a post by our ex-partner. This seminar asks, “how are we disciplined in managing our profiles in the world of social media?”. Together as a class we will create a person and delve into the waters of Facebook, Fameronly.com and other platforms in order to discuss anthropologically how we navigate our sociality, sexuality, politics, morality, and ultimate ourselves in the virtual world.
