**Course Topic: CONTEMPORARY MIDDLE EAST**

This course addresses the society, culture, and politics of the contemporary Middle East. It is the companion course to ANTH 3500, Peoples and Cultures of the Middle East, but can be taken without having taken that class before.

**Course Topic: COMMUNITY ENGAGE THRU ACTION**

This class is focused on doing anthropology by engaging the community as experts and active collaborators. You will learn about various approaches to action research and do action research. The course requires a commitment to think about and do anthropology differently. As action researchers, we will engage in hands-on learning and research to create social change attempting to democratize the process of research and the relationships between the university and community.

**Course Topic: TOURISM**

Course Topic: ANTHRO. & SOCIAL MEDIA CULTURE

Is our new virtual reality, where at the tips of our fingers news breaks alongside relationships, less a kind of freedom and perhaps more a prison where we obsess over how many 'likes' our selfie gets, or whether or not to comment on a post by our ex-partner. This seminar asks, 'how are we disciplined in managing our profiles in the world of social media??' Together as a class we will create a person and delve into the waters of Facebook, Famersonly.com and other platforms in order to discuss anthropologically how we navigate our sociality, sexuality, politics, morality, and ultimate ourselves in the virtual world.
