Restricted course. Approval required. Contact department.

GLOBAL DEVELOPMENT: ISSUES & CHALLENGES

This capstone seminar is required for students whose concentration is International Development. It is designed primarily for International Studies majors in their senior year. The seminar explores competing perspectives that address the social, economic, and political aspects of development. The course also surveys some of the challenges facing both high-income and lower-income countries, such as globalization, migration, the role of culture in development, foreign aid and gender issues.
